Dear Ruth,

I am sending you the Commentary from Shook Hardy & Bacon from the New England Journal of Medicine together with the paper from "Indoor Environment" on Tobacco-Specific and Volatile N-Nitrosamines in Environmental Tobacco Smoke of Offices.

I would like to discuss both papers with you if possible. Our legal department have given us the authorization in order to answer the Newspaper, so I would like to prepare that.

Saludos,

2026221801
